Deabaver Patrick

Front End Developer

No.35, J.T. Useni Street,
Off Abacha Road,
Mararaba,
Karu LGA, Nasarawa.
(+234) 8167316226

EXPERIENCE

1, Company: NaijaCodePadi — *Front End Developer*

November 2022 - Present

At NaijaCodePadi, we're on a mission to make coding accessible, collaborative, and fun for developers at all levels.

 Developing and maintaining user-facing websites using HTML, CSS, JavaScript.

PROJECTS

1, ShareAm — A Desktop App .

ShareAm is an open-source app with real-time messaging, voice, and video call features. It is a calling and messaging app designed to foster strong connections among users from various walks of life. ShareAm users can choose to record sessions, collaborate on projects all with one easy-to-use platform. ShareAm offers quality video and audio, and a wireless screen-sharing performance.

 Technology: JavaScript, CSS3, HTML, Node.js.
